

## 2017 Accomplishments Report:

Thanks to our generous donors, in 2017 Bowie CLAW was able to:

- Support 30 dogs & 38 cats monthly with food, litter & spay/neuter veterinary expenses so they remain united with 30 Bowie families.
- Showcase rescue dogs at the 2017 season Bowie Baysox home games, resulting in 3 adoptions!
- Contribute to medication for 4 heartworm positive dogs, resulting in their treatment and rescue, and contribute to surgery expenses to save another dog.
- Partner with Calvert Brewing Company to raise nearly \$1,000 through our monthly “Thirsty Mutt Thursday” joint charitable happy hours with 6 different dog rescues.
- Sterilize & vaccinate nearly 175 Bowie community cats to improve their health and limit population growth.
- Provide \$700 for blind and vulnerable community cats to live out their lives safely at sanctuaries.
- Fill a truck with blankets, comforters and other clean and cozy linens to keep the cats and dogs at the County Shelter warm this winter season.
- Buy numerous Stretch & Scratch pads for cats’ claw health, exercise and stress relief, and stainless-steel litter pans and food bowls for health and durability for Prince George’s County Animal Services Division (County Shelter).
- Decorate the Dogs and Cats Veterinary Referral Christmas tree with a \$200 “ornament” to meet a local family’s emergency veterinary care.
